

**Matt Locke Ellis College of Arts and Sciences
Department of Mathematics and Computer Science**

- Position:** Assistant Professor (tenure track) or instructor (non-tenure track) of mathematics. Nine-month appointment beginning August 2008
- Job Description:** Teaching responsibilities include the full range of courses throughout the undergraduate mathematics curriculum. Continued scholarly activity and advising are expected, as well as service to the university, the profession and the community.
- Qualifications:** Master's degree in mathematics, mathematics education or a related field is required. A doctorate in mathematics, mathematics education or a related field is preferred.
- Salary:** Commensurate with experience and qualifications
- Department:** The Department of Mathematics and Computer Science offers traditional BS degrees in both mathematics and computer science. Two additional BS tracks are offered in mathematics: one in applied mathematics and one leading to teacher licensure. The department has approximately 80 active majors and twelve full time faculty.
- University:** Henderson State University is a liberal arts institution with approximately 3500 students. It is located in southwest Arkansas, just off Interstate 30, midway between Little Rock and Texarkana. DeGray Lake is within 10 miles, and Hot Springs National Park is 35 miles north of Arkadelphia. Additional information is available at www.hsu.edu.
- Application:** Send letter of application, current resume, current graduate and undergraduate transcripts (unofficial accepted), a statement of teaching philosophy, and three (3) current letters of recommendation (including complete addresses, e-mail addresses and telephone numbers). At least one letter of recommendation must address the candidate's teaching.
