

**FACULTY POSITION
IN
MATHEMATICS: PROFESSOR AND CHAIR**

Belhaven University, a Christian university committed to the ministry of integrating biblical truth and learning in every area of life, invites applications for a tenure-track position in Mathematics beginning July 2012.

Responsibilities

Responsibilities include teaching a range of courses for the traditional mathematics major as well as general education courses in mathematics. This position will also serve as chair of a department with 20-25 majors. The applicant should demonstrate a commitment to excellence in teaching undergraduate mathematics and its applications. The ideal candidate will be prepared to advise students academically and to mentor students in their spiritual and personal growth.

Qualifications

The position requires a Ph.D. in Mathematics with a broad range of teaching experience. The successful candidate must be able to articulate a Christian worldview into each mathematics course, fully support the [University Vision, Mission and Statement of Faith](#) and contribute to the spiritual and academic fellowship of the University.

Send:

- Letter of intent, including explanation of your interest in Christian higher education, and how your background fulfills each of the Responsibilities and Requirements described above
- Vita
- Three to four paragraph statement of how you would integrate the Biblical worldview into all instructional content
- Describe your personal faith in a non-creedal form
- Describe how you are active currently in a local church
- Names of four references (including your local pastor) – please provide phone numbers, addresses and nature of relationship
- Transcripts (all undergraduate and graduate)
